

HuskyPRO

What makes the HuskyPRO program so unique?

- Universally accepted to buy fuel anywhere, not just one brand – that's over 200,000 fueling locations that accept MasterCard® cards
- Security and controls to help prevent unauthorized purchases
- Earn rebates on fuel purchases at Husky locations
- Access your account anytime, anywhere with detailed online account management tools

More than a fuel card...save your business up to 15%* with a fuel management solution

- Customizing your fleet card program helps protect your business and reduces fraud
 - ✓ 59% of businesses with 11+ vehicles experience fraud and misuse when not having a fleet card program¹
- Set purchase limits on each card to prevent overspending
 - ✓ For Example: 2 transactions per day or 75 litres per day
- Driver Identification Numbers (DINs) are required before every purchase for added security and to help prevent fraudulent activity
- Set cards to prompt for odometer reading to monitor and track fuel usage and vehicle performance
- Advanced reporting tools available to fit your business needs

*A *Fleet Financials* survey shows that, on average, fleets that use a managed fuel program realize savings of up to 15% on their over fuel management costs compared to fleets that do not.

¹Businesses lose an estimated 6% of annual revenues to occupational fraud, according to research conducted by the Association of Certified Fraud Examiners.

Managing your account is always right at your fingertips

- Eliminate the hassle of paperwork by managing your entire account online, 24/7
 - ✓ 22% of business with 11+ vehicles spend 3 to 5 incremental hours a month on administrative tasks without a fleet program²
 - ✓ 28% of business with 11+ vehicles spend 6+ incremental hours a month on administrative tasks without a fleet program²
- Real-time account tracking allows you to keep an eye on spending of every driver in your fleet
- Complete control of each individual card, including the ability to deactivate cards, request new ones, or change spending limits by card
- Change purchasing limits and DINs for each card
- View statements, unbilled transactions details, and pay your bill online

²72% of businesses surveyed said that having a fleet fueling program significantly decreased the amount of time spent on collecting, recording and reconciling fuel purchase receipts.

HuskyPRO FUEL CARD PROGRAM

Change the way you manage your fueling expenses.

The HuskyPRO Universal Fuel Card program takes fleet fuel management to the next level. Consolidate your fuel expenses on to one card for more control over spending, less administrative tasks, and an improved bottom line.

**More fueling options +
More control +
Less administration =
Improved bottom line**

Universal Fuel Acceptance

Give your drivers more options for fuel-only purchases. HuskyPRO cards are accepted at Husky locations, cardlocks and the network of Travel Centres, or anywhere in Canada or the U.S. where MasterCard® cards are accepted – regardless of brand.

Fuel Expense Management for 2 or 200+ Vehicles

Spend your valuable time on your business, not on reconciling fuel expenses. The HuskyPRO Universal Fuel Card program gives you all the tools you need to manage expenses and prevent over-spending.

Control

- Set dollar limits per day, transaction or billing cycle to prevent unwanted purchases
- Set advanced card prompts for improved fraud protection
- Get real-time transaction data to stay ahead of spending

Convenience

- Consolidate all your business fuel expenses on to one card
- Spend less time on paperwork, reconciling and administration overall
- Manage your account online anytime

Savings

- Earn discounts on fuel volume at Husky locations
- Earn myHusky Rewards points on eligible purchases
