SLIPS, TRIPS AND FALLS

Slips, trips and falls (STFs) are often the foundation to a great slapstick comedy skit; however, in the workplace, slips trips and falls can prove to be deadly! They are one of the most common, yet preventable, workplace hazards.

In Canada, STFs are the third largest contributor to workplace lost-time incidents however the concern should not merely be focused on just worker injuries. Business owners and employers must also consider the potential business liability. Workplaces that have patrons or the general public present in their organizations must also consider their safety as well. Nonetheless, applying basic precautions is not only easy and cost effective, but can reduce the risk of slip, trip or fall related injuries.

Training Solution – Online *Slips, Trips and Falls* Course

Many slip trip and fall hazards can be controlled by following simple guidelines. This Link2eLearning online course is designed to provide participants with an understanding of STF risks and suggestions for effective control measures.
