

Joint Health & Safety Committee Online Certification

Members: \$725.00 + HST | Non-members: \$750.00 + HST

Description:

In Ontario, most workplaces with 20 or more workers are required by law to have a joint health and safety committee (JHSC). The JHSC must include at least one worker and one manager that has been certified by the Chief Prevention Officer (CPO) from the Ministry of Labour, Training & Skill's Development (MLTSD). To be certified by the CPO, JHSC Members must successfully complete a CPO-Approved JHSC Certification Training Program.

This JHSC Certification Training Program is a CPO-Approved program. There are 2 Parts to this Program; both Parts must be completed to be Certified by the CPO. A one-day CPO-Approved Refresher Program must be completed to maintain the validity of the Certification within 3 years of completing Part 2.

Program Outline:

Part One: Basic Certification (Theory) course

Topics covered include:

- ▶ occupational health and safety law
- ▶ rights, duties & responsibilities of workplace parties
- ▶ hazard recognition, assessment and control and evaluation of hazard controls
- ▶ joint health and safety committee's duties and responsibilities of JHSC members
- ▶ health and safety resources

Part Two: Hazard-Specific (Application) course

Topics covered include:

- ▶ the concepts of hazard recognition, assessment, and control, and evaluation of hazard controls
- ▶ participants will learn how to apply these concepts to the following hazards: Slips, Trips and Falls, Chemical & Biological hazards, Musculoskeletal hazards, Workplace Violence & Harassment, Electrical hazards, and Fire hazards.
- ▶ Participants will draft a hazard management plan.
- ▶ Participants will draft a COVID-19 Safety Plan based on Ontario government guidelines.

Delivery Method:

This JHSC Certification Training Program is delivered fully online using a combination of self-paced training and instructor-led training:

Part One: 15 hrs of self-paced e-Learning course (must be completed within 30 days of enrollment)

Part Two: 2-days instructor-led virtual course (Part One must be completed to attend Part Two).

General Information:

Training is provided by 4S Consulting Services.

Accessing the training: You will receive an email within 24 to 48 with instructions on how to access the Part One online course. Once you complete Part One, you can select the Part Two session you would like to attend from the Training Provider's training calendar.
