

Workplace Violence and Harassment Diversity & Inclusion

For Non-management

Scroll down to learn more

Course Overview

This course will familiarize workers with an overview of Workplace Violence and Harassment in their workplace including their responsibilities under the OHSA. The course will also review Diversity and Inclusion, the role it plays in developing a healthy, respectful, engaged workforce as well as what they can do to promote this environment.

Workshops within the course will engage participants, allowing them to learn from each other on key points that have the potential to impact their workplace both positively and negatively.
