

Location: Barrie and Collingwood

Position: Roofer (Metal)

Job Type: Full-Time

Wage: \$25.00 - \$30.00

About Us:

Ainger Group Roofing and Exteriors is a leading provider of roofing and exterior solutions, dedicated to delivering high-quality workmanship and exceptional customer service. We take pride in our team of skilled professionals and are looking to expand our workforce to meet the growing demands of our business.

Position Overview:

We are seeking a motivated and experienced Metal Roofer to join our team. The ideal candidate will have a strong work ethic, attention to detail and commitment to safety. As a Metal roofer, you will be responsible for installing metal roofing and related materials.

Key Responsibilities;

- Install, repair, and replace metal roofing systems
- Ensure all work is completed to the highest standards and complies with safety regulations.
- Collaborate with team members to complete projects efficiently and effectively.
- Maintain a clean and organized work environment.
- Communicate effectively with clients and team members regarding project progress and any issues that arise.
- Working at heights

Qualifications:

- Proven experience as a Shingle Roofer or in a similar role.
- Strong knowledge of roofing materials and installation techniques.
- Ability to work at heights and perform physically demanding tasks.
- Valid driver's license is a huge asset.
- Strong attention to detail and commitment to quality workmanship.
- Excellent communication and teamwork skills.

Benefits:

- Competitive wages with opportunities for overtime.
- RRSP (Registered Retirement Savings Plan) matching contributions.

- Comprehensive benefits package.
- Performance-based bonuses.
- Opportunities for career advancement and professional development.

How to Apply:

Include resume in an email to admin@aingergroup.com.

Ainger Group Roofing and Exteriors is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
