Young Leaders Group Bursary

The Young Leaders Group (YLG) provides a space to engage, connect, and build leaders for their future in the industrial, commercial, and institutional construction industry. The YLG is a space to promote leadership and career opportunities within the industry, encourage young leaders to have a voice and a seat at the table, and network with other members. Our members include Owners, Architects and Engineers, Contractors and Subcontractors, Suppliers, Administrative, Government Agencies, and Students/Apprentices.

As part of their commitment to promote skilled trades to the next generation, the YLG along with the Barrie Construction Association and industry partners are pleased to offer a bursary to anyone focusing on the trades through post-secondary education, apprenticeships, or other means; this bursary is open to those entering or continuing their education.
